

OCEAN SHORES DENTAL CLINIC

OFFICE POLICY

Proof of Insurance is required on all initial appointments.

Please give 24 hour notice of all cancellations. It is at our office's discretion to reappoint and/or charge a \$25 fee for any failed appointment.

We offer a courtesy call the day before your appointment if time allows. You are responsible to remember your own appointment time.

We will bill most insurances, but it is the patient's responsibility to know their own coverage.
